

For our Corporate Center in
Lucerne, we are looking for a

Corporate Controller – Supply Chain Controlling (m/f)

Today, the SCHMOLZ + BICKENBACH Group is one of the world's leading providers of individual solutions in the special long steel products sector. The Group is one of the leading manufacturers of tool steel and non-corrosive long steel on the global market and one of the two largest companies in Europe for alloyed and high-alloyed constructional steel. With around 8,900 employees and inhouse production and distribution companies in over 30 countries and on 5 continents, the company guarantees its customers a global supply and customer service, and offers them a complete production portfolio as well as sales and services around the world.

Your assignment

- Develop and maintain reporting for all supply chain related fields with focus on sourcing, purchasing and logistics. Ensure information flow to and within all involved parties on Corporate and Business level
- Responsible for reporting of sales, general and administration cost (SG&A), and deriving improvement measures thereof
- Manage an efficient and effective asset management, with focus on net working capital incl. continuous improvement measures
- Perform monthly analysis of results and provide storyline / commentary to Senior Management
- Participate in projects and the development of Corporate Controlling
- Perform ad-hoc analysis
- Act as the deputy of other Corporate Controller

Your background

- Bachelor degree in Business Administration with focus on Accounting/Controlling or Swiss certified specialist for accounting and controlling or higher
- Extensive experience (minimum 4 years) in comparable roles
- Strong knowledge across finance functions and along the value chain
- Knowledge in production industry is a plus
- Good skills in ERP systems, knowledge of SAP is a plus
- Experience in the implementation of projects
- Excellent language skills in English & German, any other language is a plus
- Self-driven, target oriented personality
- Willing to work in an international team and environment
