

For our Corporate Center  
in Lucerne we are looking for a

# Work Study / Intern Corporate Business Development (m/f)

The SCHMOLZ + BICKENBACH Group is one of the world's leading providers of individual solutions in the special long steel products sector. The Group is one of the leading manufacturers of tool steel and non-corrosive long steel on the global market and one of the two largest companies in Europe for alloyed and high-alloyed quality and engineering steels. With more than 10 000 employees and its own production and distribution companies in more than 30 countries on 5 continents, the company guarantees global support and supply for its customers and offers them a complete portfolio of production and sales & services around the world. Customers benefit from the company's technological expertise, consistently high product quality around the world as well as detailed knowledge of local markets.

## Your Assignment

- Full-time, typically 3-6 month internship
- Support the Department of Corporate Business Development through involvement in Group-wide projects across its three major areas of focus:
  - Strengthening the strategic positioning of the Group through organic growth, strategy development, acquisitions or joint ventures
  - Increasing operational excellence
  - Market and competitor monitoring, research and analyses including own conclusions and recommendations
- Collaborate in various project teams with colleagues in Business Development and other Corporate Center Departments as well as group-wide Business Units

## Your Background

- You have completed the 4th semester of your Bachelor studies in the field of business administration, business information technology, economics or industrial engineering & management
- Previous internship experience with an international company is an advantage
- Strong interest in business development and strategy
- Fluent in English and German, oral & written, any other language is a plus
- High passion to learn, quickness in understanding new topics
- Team spirit, good organizational skills, strong communications
- Proficiency in Microsoft Office programs (Excel, PowerPoint, Word)
